REVISED HEALTH CLAUSE

Fernvale Charolais is an accredited TB and Bruscellosis herd. Cattle going to tick free areas will be pretreated (sprayed) with Taktic and injected with Dectomax. Cattle will be free to travel 6-9 days after 11th February. Vendors will be contacted and every effort will be made to assist with proposed travel arrangements.

Correction to catalogue print error.

Sire for Lot 26 Fancy Free and Lot 27 Fancy Lady is Harvey Redemption. Below is the correct sire as recorded on the registration.
